2. Room/building type cannot be changed after the room assignment is completed
3. E-House is a suite-style dormitory with single/double/triple/quad rooms where 2-10 people reside. The number of people assigned means the number of people allocated per room, not per unit
4. I-House is for international students such as exchange and language center students so male residents may reside in the same building
5. **During the 24-Summer, non-Ewha participants can reside in the dormitories (E-House, Hanwoori, I-House). Especially, male participants can be included in the summer programs at E-House and I-House**
6. As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates etc.) so please consider carefully before you apply
7. **You may experience data disconnection while using Wi-Fi since internet connection will be simultaneously used by multiple people over the same internet line. If your Wi-Fi continuously gets disconnected, Hanwoori and I-House residents may borrow a wired LAN from the dormitory. However, please note that you must prepare a separate converter that connects the wired LAN with your laptop (there may be restrictions when participating in online classes or exams due to Wi-Fi instability)**

V. Required Documents for Check-In

- ※ Erase the last 6 digits of your ARC number when submitting documents
- ※ **Student will not be allowed to move into the dormitory without the required documents**
