-I-House building A/B: room painting, window screen replacement and balcony repairs are scheduled

7. As the dormitory is a communal space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates etc.) so please consider carefully before you apply
8. You may experience data disconnection while using Wi-Fi since internet connection will be simultaneously used by multiple people over the same internet line. If your Wi-Fi continuously gets disconnected, Hanwoori and I-House residents may borrow a wired LAN from the dormitory. However, please note that you must prepare a separate converter that connects the wired LAN with your laptop (**there may be restrictions when participating in online classes or exams due to Wi-Fi instability**)
