- 2) Please be aware that the assigned room/dormitory/residence option cannot be changed for personal preference
- 3) As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit-mates etc.) so please consider carefully before you apply

- 5) E-House is a suite-style dormitory with single/double/triple/quad rooms in 2-10 person suites. The number of people assigned means the number of people allocated per room, not per unit
- 6) I-House mainly consists of international students such as exchange and language center students hence male residents may reside in the same building
- 7) You may experience data disconnection while using Wi-Fi since internet connection will be simultaneously used by multiple people over the same internet line. If your Wi-Fi continuously gets disconnected, Hanwoori and I-House residents may borrow a wired LAN from the dormitory. However, please note that you must prepare a separate

converter that connects the wired LAN with your laptop (there may be restrictions when participating in online classes or exams due to Wi-Fi instability)

- 8) If you cancel your residency or leave the dormitory during the semester, all of your subsequent dormitory assignments will be automatically canceled. If you plan to apply for residency again, you can apply from the next semester (however, it is possible to apply for vacation-period residence only)
- 9) If an applicant takes leave of absence, is dismissed, or is taking credits below the standard stated in the eligibility, does not return from leave of absence, the Housing Office may revoke your dormitory application and you cannot re-apply for dormitory. Also, you have a duty to notify the Housing Office of any changes in your status. Otherwise, you will be evicted and not allowed to re-apply
