[Notes for Residence Option]

* [Option 1]: 1-YEAR-Resident (those who have applied for 1st semester, summer vacation, 2nd semester, and winter vacation) don't need to move to a different room in the next semester (however, you may be asked to move to a different room in some cases)

* [Option 2]: SEMESTER Resident (those who have applied for only the 1st and 2nd semesters) are required to complete the check-out procedure for each semester, as well as can be assigned to a different room in the next semester

1. Students who select Option 2 (Semester Residence) and later wish to stay during the summer or winter break may apply for Summer or Winter Residence-Only during the designated application period. Since the check-in and check-out dates for Summer or Winter Residence-Only differ from those of Option 1, students must check out from the room used during the regular semester and complete the check-in procedure at the newly assigned room. Extended stay or storage of belongings in the dormitory during the gap period is not permitted (please check the Summer or Winter Residence-Only guidelines for further details)

2. If a student cancels their dormitory assignment after being assigned a room or withdraws from the dormitory during the residence period, all subsequent dormitory applications will be automatically cancelled. In such cases, the student may apply again starting from the following semester; reapplication is not permitted for the semester in which the cancellation or early withdrawal occurs

Applicants who fail to pay the dormitory fee will have their assignment automatically cancelled without individual notice and will not be eligible to reapply for the dormitory in the same semester 2. In case of international transfer, payment via Flywire (international payment system) through EUREKA is strongly recommended 　 ※ How to pay via Flywire: After checking the bill on EUREKA, make the payment by clicking the [LINK] button 3. 6. Important Information

1. Roommate/room type may not match your choice 100% and your roommate can be either an international or Korean student
2. Any request for room/building change will not be accepted
3. As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates etc.)
4. E-House is a suite-style dormitory with single/double/triple/quad rooms in 2-10 person suites. The number of people assigned means the number of people allocated per room, not per unit
5. I-House is for international students such as exchange and language center students so male residents may reside in the same building
6. If the dormitory is subjected to any maintenance work, there can be noises and entry of workers accompanied by staff members to the building
7. If an urgent temporary relocation to an alternative room or guest room is required due to repairs in the dormitory, the assigned room may differ from the current room type
8. Wi-Fi connectivity may be unstable, as multiple users will be sharing the same internet line (unstable Wi-Fi may cause limitations in attending online classes or taking online exams)
9. Curfew Policy
   - Applicable to: Undergraduate students of E-House and Hanwoori (not applicable to I-House)
   - Curfew hours: 00:00 AM to 5:00 AM
10. You cannot visit the dorm room before the check-in date (early check-in is not allowed)
    ※ Dorm room pictures: http://dmtry.ewha.ac.kr/ → Facilities → Rooms
11. If you cancel your residency or leave the dormitory during the semester, all of your subsequent dormitory applications will be automatically canceled. If you plan to apply for residency again, you can apply from the next semester (those who cancel their residency or leave the dormitory midway cannot re-apply in the same semester)
12. If an applicant takes leave of absence, is dismissed, takes credits below the standard stated in the eligibility, or does not return from leave of absence, the Dormitory Office may revoke your dormitory application and you cannot re-apply for dormitory. Also, you have a duty to notify the Dormitory Office of any changes in your status. Otherwise, you will be evicted and not allowed to re-apply
