## 4. Important Information

---

### ■ Room Assignment and Residence

1. Any request for room/building change will not be accepted
2. As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates etc.)
3. E-House is a suite-style dormitory with single/double/triple/quad rooms in 2-10 person suites. The number of people assigned means the number of people allocated per room, not per unit
4. I-House is for international students such as exchange and language center students so male residents may reside in the same building

### ■ Check-in and Check-out

1. You cannot visit the dorm room before the check-in date (early check-in is not allowed)  
※ Dorm room pictures: <http://dmtry.ewha.ac.kr/> → Facilities → Rooms
2. If you cancel your residency or leave the dormitory during the semester, all of your subsequent dormitory applications will be automatically canceled. If you plan to apply for residency again, you can apply from the next semester (those who cancel their residency or leave the dormitory midway cannot re-apply in the same semester)
3. If an applicant takes leave of absence, is dismissed, takes credits below the standard stated in the eligibility, or does not return from leave of absence, the Dormitory Office may revoke your dormitory application and you cannot re-apply for dormitory. Also, you have a duty to notify the Dormitory Office of any changes in your status. Otherwise, you will be evicted and not allowed to re-apply

### ■ Facility Maintenance and Construction

1. If the dormitory is subjected to any maintenance work, there can be noises and entry of workers accompanied by staff members to the building
2. If an urgent temporary relocation to an alternative room or guest room is required due to repairs in the dormitory, the assigned room may differ from the current room type

### ■ Dormitory Life

1. Wi-Fi connectivity may be unstable, as multiple users will be sharing the same internet line (unstable Wi-Fi may cause limitations in attending online classes or taking online exams)
2. In order to protect wallpaper from damage, driving nails to the wall, hanging posters, or any type of wall-hanging items are prohibited (the Dormitory Office may impose demerit points and charge the resident for any costs associated with restoring the damage)
3. E-House Bldg. 201~204 B1 walkway is for dormitory residents only. If an outsider is found on the walkway, they will be immediately stopped by the dormitory staff as well as the accompanied resident may be charged with demerit points
